### **Avoidance of negative inter-committee reactions**

We are incensed by the audacity of the Community Council Committee to knowingly approve and publicly publish false accusatory minutes (5/10/20) regarding the financial procedures of the Village Hall Management Committee.

This was done with no regard to the comments made previously by our recently resigned Treasurer and at your recent meeting (30/9/20) by our Chairperson where the exact minutes were withheld from his notice and replaced with inaccurate and misleading 'Questions Arising'.

Nor have we had any reply to a detailed letter (6/10/20) from our Chairperson on these and other matters.

We request a public retraction / correction of these minutes and apology without any further obfuscation or evasiveness if we are to continue to productively work together for the benefit of local inhabitants.

Furthermore, we are very aware that the frustration of our committee (see our Minutes over past year) concerning the repeated inaction, secrecy and null-replies of the Community Council appears to be following a similar path to that of 2016/2017 (see your Minutes) which resulted in the resignation of our Hall committee. We do not wish this to happen again and ask the Community Council Chair what are his immediate plans to improve this situation?

If we do not receive constructive answers to our queries within the next ten days we reserve the right to seek an alternative course of public action and/or legal redress.

*The Committee Members at the Meeting of 14.10.2020 unanimously agree to this letter.*
