1. Matters Arising

2. Chairperson's Report

1. We had a successful choral evening. Thanks to Colin for posters, and thanks to Gillian and Avril for the effort put in selling the tickets.
2. Hit list of events – to be discussed further on
3. Community Chest grant applied for and successful, but trainer's licence had run out, so money will be given when that is rectified. Flyers out for free taster class. Possibly to run Thursday morning if enough interest. The grant comprises £400 to subsidise trainer, the rest to go towards equipment.
4. Good turnout to the Saturday morning open meeting, ideas given, and some volunteering. Gillian to follow up drop in with possible start date 14/3/2020. We need children's books in Welsh to be donated.
5. Guitar evening not too successful, so buying of guitars on hold at the moment. Possibly buy one ukulele for now.
6. Comic Relief Grant was received end of January, so items are being bought quickly. Both Mike and Gillian's credit cards used to enable quick purchases, obviously this needed reimbursing, and was checked by Elaine as a third party. Piano has been tuned, soft play equipment, tea trolley and urn, book trolley, fridge, shelving and other necessary equipment.
7. Table tennis has started on Thursday afternoon 3pm – 5pm £2 per person including tea/coffee and biscuits. All are welcome for some fun and exercise.
8. A private children's party took place last week, where they tried out the soft play equipment, and was successful. Another one booked in March and another in June
9. In the Malltraeth/Newborough/Bodorgan area there is a tapestry that has been printed on to canvas. Mike has been in touch with them today and has managed to get one for the hall for free.

3. Vice Chairman's Report

Regarding tables for Christine Reilly's music night, one will be needed from the back room. Also the band may need a changing room.

4. Treasurer's Report

£19,000 in current account, less £2,000 grant money and the £4,000 reserved for Huw for ramp and other works. After the purchase of all the new equipment, Gillian has emailed the chairman of the community council to ask if the insurance covers the contents of the hall, and also asked the single item value. Chairman's reply was that he had referred it to Menna. Gillian has also applied for an umbrella film licence.

5. Secretary's Report

Nothing to report
