1.Matters Arising: (Items not covered by headings below)

1. Community Council Communications.

The CC have again not replied to our queries and letters.

The CC declined to have a Joint Meeting with us this evening with no adequate reasons given.

Members unanimously agreed that another letter should be sent to the CC asking for a response and informing them of our future actions. It was also noted that villagers should be informed of the current difficulties with the CC in the next Grapevine Newsletter and Facebook site to be delivered next week. It is hoped that villagers may encourage the CC to engage with us rather than lose this committee and all activities in their Village hall.

It was also noted that we are still operating without a Treasurer due to the intransigence of the CC in not replying to our queries.

Glenys to be updated on items to date.
